

Landa Ladies Golf Association Meeting

January 8, 2020

Location: Landa Park Golf Course meeting room

President Laurie Shumard called the meeting at 9:32 with a strike of her gavel.

Secretary Sue Martin read the prior meeting minutes from December 5, 2019. The minutes were accepted by Judy Stuckey and seconded by Rene Sasser.

Rene Sasser is our Golf Advisory Board representative. She will not be able to attend the next meeting and asked for someone to represent LLGA at the meeting.

Connie Hundley will serve as Member-at-Large.

Terry Moorhead will continue to serve as Sunshine Chair.

Shawn Lunday will continue to serve as Rules Chair.

The board would like to provide an Appreciation Luncheon to the staff of Landa Park Golf Course on January 15th. Since this was not in the prior year's budget, Laurie Shumard will provide the main course of chili and asking for signups from the membership to provide the sides, paper products and desserts. Lisa Berridge suggested using some of the donation money from the prior year's budget for this effort if needed.

Budget approval was postponed until the February meeting because of unknown membership count.

LLGA directory will be provided again by Pam Dixon. Elaine Lang will be providing up to date photos and information as needed to Pam.

Handicap cards were handed out to each player and a discussion about the new USA GHIN app for posting scores for handicap. Noting each course has a unique handicap to each golfer. Golfers are encouraged keep their game cards and not to post any scores on the new website until mid-February due to bugs in the system.

Elaine Lang requested reimbursement of \$125.00 for the LLGA website that she maintains. Lisa Berridge accepted the motion and Judy Stuckey seconded.

Laurie Shumard discussed our LLGA website will be a great source of information for our membership. The landaladies.org website will contain membership names, meeting minutes, play lists. A link will be added to the Landa Park Golf Course website. The website URL will be posted on the LLGA bulletin board. Elaine said she will continue to email members for cancellations or delay of play for the weekly play date.

Terry Moorhead thanked everyone for all the sentiments during her time of need.

Landa Cup is scheduled for January 22nd. The captains are Elaine Lang and Lisa Berridge. Sign ups have started if you would like to play in this tournament.

Elaine Lang made a motion to add the new Secretary Sue Martin and President Laurie Shumard to the RBFC bank account and remove outgoing President Lisa Berridge and Secretary Judy Stuckey. The motion was accepted by Bernie Singletary and seconded by Kathy Bowman.

Meeting was adjourned at 10:02.
